

objetos.Producto.Producto

```
graph LR; A[objetos.Producto.Producto] --> B[objetos.Producto.calcularTotal];
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'objetos.Producto.Producto'. A dark blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'objetos.Producto.calcular' on the top line and 'Total' on the bottom line.

objetos.Producto.calcular  
Total
